

About Expert Home Repair

There are probably a lot of things on your "To Do" list around the house that you are perfectly capable of doing. And if you actually had the time to do them, you would. But between the groceries, the kids, the pets, the car, and whatever else you've overcommitted yourself to, it's easy to live with that leaky faucet or damaged drywall for just one more week.

That's where Expert Home Repair comes in. We do the jobs around your home that need to be done. Our professional staff will give you a hand keeping your castle in good working order. We've made the process easy and straight forward. So you'll understand what you're getting, when we'll be there and what it will cost.
